**BRENDAN WOLFE**  
Print Web Animation 3D

## Education

Quinnipiac University Class of 2008  
Interactive Digital Design Major with Philosophy Minor  
Trumbull High School Class of 2004

## Employment

Junior Art Director, The Voice, Bridgeport CT  
June 2006 - May 2008

The Voice is an Advertising Agency with a single office in Bridgeport. I worked full time during the summer and part time during school. My work involved designing for the web, print material, motion graphics, working with clients, redesigning and 3D modeling rooms and furniture within the office, and building furniture.

Bus boy, The Bear and Grill, Fairfield CT  
June 2005 - May 2006

The Bear and Grill is a family restaurant and bar. My responsibilities included clearing and setting tables in a timely fashion, carrying food from the kitchen window to tables, and making sure all guests had full glasses of water and fresh bread at their table.

Summer help, Town of Fairfield Highway Division  
Summers 04 and 05

I worked full time as a mason, landscaper and driver. My responsibilities included driving the masonry truck to job sites, mixing cement, rasing manholes and storm drains in preparation for repaving roads, repairing sidewalks, directing traffic and cutting up and clearing fallen trees from town property and roads.

## Freelance

I am currently designing a website for a friend who teaches piano, and a construction company who wants to redesign their site. I am also giving private bass guitar lessons.

## Skill Set

Fluent with Mac OSX and Windows XP
